It gives us immense pleasure to send this first e-newsletter of the Divyajyoti trust even six months from inception and we have done more than 1200 operations. We started coming on a monthly basis regularly and good no. of patients are getting treated. Genuinely poor and needy patients are coming over and at the end of the day the number of the indoor patients were tribal and 92% of them have undergone total free surgery to the support from Lokdrashti Eyebank in Surat.

Their competence level is also improving, we are happy to tell you that they are performing well. Doctors - Dr. Rohan, Dr. Sheetal and Dr. Kamini are putting in their best efforts to provide the best care. Support from the community in terms of financial support has also been forthcoming and well wishers who have helped us in this work directly or indirectly. We are thankful to all. This is the first issue of the newsletter and we hope to publish this type of e-newsletter given here. Donation details of only October is added. Now onwards, statistics per
