

## Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - August 2014

The rainy season was heavy in the second innings with the resultant reduction in workload. We used tissue glue for the first time to perform sutureless pterygium surgery. We were very happy with the result and we plan to use it regularly now.

We have started teleconsultation for patients at Jhankhvav CHC – however, at this moment, the number of consultations are small, we are soon looking at increasing the utilisation.

We have decided to conduct one speciality camp every month at the base hospital. We conducted a paediatric diagnostic camp on 26th August. There were 35 OPD patients and 4 operative cases were found. We will conduct one paediatric and one diabetic retinopathy screening camp next month. DR screening camp will be conducted in the periphery.

We are celebrating eye donation fortnight from 25th August to 8th Sept every year. This year, we are conducting awareness sessions daily in different villages in the evening and banner encouraging community to come forward for eye donation is displayed in the hospital waiting area at two places.

We have started performing blood sugar and urine sugar tests, blood pressure check and intra ocular pressure check of all 40 + individuals coming for examination at the campsite. We had to add two more staff to the team to ensure this. BUT we are happy about the fact that we are able to detect atleast 4-5 patients in each camp fresh with one of the diseases – either diabetes or hypertension or glaucoma. They are coming to the base hospital in small numbers but a regular flow is started.

Dr. Rohan did his two weeks observership at New York Eye and Ear Infirmary starting from 25th August. Ruth Moses – secretary in department of Ophthalmology and Dr. Kenneth Cohen – our well wisher and Dr. Navinbhai Mehta another well wisher helped Dr. Bhadraben Shah arrange all this at the last minute. Thanks to all of them for making this possible.

Dr. Geetika Srivastava was supposed to be here doing her SICS fellowship this month. Unfortunately, she had to go back to Surendranagar in wake of possible MCI inspection. We did not call any other student this month.

A vision mission workshop was conducted with the new recruits on 2nd August by Mrs. Madhviben. The staff appreciated the whole idea. Hopefully, our main objective will gradually percolate among all the staff members.

A written exam for all the regular staff – Ophthalmic assistants and nurses was conducted as done every year. Majority of them have performed well.

Times of India and Divyabhaskar – two daily newspapers covered our efforts at being eco friendly. Community is also appreciative of our efforts.

Dr. Rohan Chariwala attended the Baroda Ophthalmic Society Film festival and showed our video of sub conjunctival worm there.

Dr. Chintan Dholakia has completed his three months glaucoma fellowship at Narayana Netralaya, Bangalore and has joined us back. He has enjoyed his training and is now taking care of glaucoma work along with Dr. Sheetal Chaudhary.
