Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

This is the third consecutive month and we have been able to continue with the monthly newsletter.

Work has continued at its usual high pace. No. of surgeries is approx. 15 per day. It will remain like this during winter months. OPD for some reason - most probably due to marriage season has remained slightly low.

We are very happy for the fact that patients are appreciating the behaviour of the staff. All the staff members are working hard. Trustees were appreciative of the cleanliness maintained in the hospital. Referral from other doctors is also increasing.

A family get to gather of the staff was organised on 29th Dec. - this is an effort to bring all the family members also close to each other and also orient them to the work ethics of the organisation. The vision mission workshop conducted last month also was an effort in the same direction.

Support from the society is also coming forth.

The staff strength has quickly reached 48. We would like to train the staff well before we plan further expansion.

A camp to distribute equipments to physically handicapped people was organised with the help of Lions club of Surat - Silk city on 25th Dec. 115 handicapped people took advantage of the camp - the equipments will be distributed towards the end of February.

meeting of the trust was organised on 29th Dec and all the trustees expressed their pleasure about the progress.

11th Trustee
