News Letter - December 2014

All the previous records of highest OPD & surgeries in the month were improved upon this month. We saw 241 OPD patients on 22nd Dec. and performed 992 procedures in the month. The seasonal variation is still a haunting problem in our part of the country. The work gets doubled or even tripled in some places during winter. The need to educate the community is reflected here.

We joined hands with L & T for conducting one camp at Moti Cher village. They had some apprehensions due to the news of cluster infection in Punjab and Himachal Pradesh BUT in the end they were happy. This was done as a part of their CSR activity. Now, they have promised to help us for other projects also under CSR head.

A very important meeting of the leading retina consultants from major NGOs across the country was convened by Divyajyoti trust at Venu Eye Institute, Delhi as a part of "DR Protocol development exercise" on 12th Dec. Divyajyoti trust had taken lead for this activity at the suggestion of Vision 2020: The Right to Sight India programme. The protocol has been adapted from the ICO protocol on the same subject. Dr. Uday and Dr. Rohan attended the meeting. The final version of the protocol has been submitted to the Vision 2020: Right to Sight India Programme.

Dr. Shilpa Patel – our retina consultant attended the Vitreo Retina society of India annual meeting at Agra during the month.

Dr. Uday attended the Low Vision action plan development meeting at H. V. Desai Eye Hospital, Pune organised by Vision 2020: Right to Sight India Programme.

Our team conducted an evaluation exercise of Indira Gandhi Eye Hospital, Amethi, Uttarpradesh at the suggestion of Sightsavers. It is always a learning experience when such exercises are undertaken.

Dr. Uday went to Jodhpur to talk about the prevention of infection in eye surgery to the Jodhpur Ophthalmic Society members.

Dr. Tushar from Surat has completed his Small Incision Cataract Surgery training this month. Dr. Krunal Bhavsar from Surat completed phacoemulsification training this month.

Shri B. U. Patel and Shri Nalinbhai Joshi from Uka Tarsadiya Foundation, USA visited us on 29th Dec. and discussed about the progress of the hospital.

Our new construction behind the hospital is in finishing stages now. We have registered ourselves with Indian Green Building Council. We will submit our information soon on the website of IGBC. The inauguration of the building is planned on 24th May.

World Handicapped Day was celebrated on 3rd Dec. – 86 handicapped people participated in this meeting organised on the day. They were informed about their rights and were encouraged to take benefits of the Government's schemes. Our team promised them to support them if needed in availing the benefits.

Our blind children were given daisy players by Manas Mandal, Surat on 31st Dec. What a way to celebrate New Year!! Manas Mandal organises 108 times recital of "Hanuman Chalisa" on 31st Dec. every year. People from Maheshwari Samaj, Surat participate in big numbers. They donate handsome amounts on the day to various charitable organisations. This year, our blind children were benefitted. They gave us donation for conducting four eye camps also on the same day.

Police Commissionaire, Surat organised a big event to distribute equipments to handicapped people and our blind children were also invited to the function. They were given braille kits.
