

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - December 2018

HOSPITAL:

As mentioned in the last month's report also, the workload had picked up immediately after diwali. We have performed more than 1400 surgical procedures during this month which is the highest for the year. Due to festival times, the availability of the staff was a small constraint but the available staff put in extra efforts to take care of the high work load and managed the show very well. We did 83 surgeries including three surgeries under general anaesthesia on 28th Dec. which is a record for the year.

Maximum transplant operations also took place this month for the year. Our eye bank license has been renewed where as for the organ transplant act registration a small compliance is asked for which has been duly submitted.

NETRAJYOTI TRAINING CENTRE:

Dr. Ankush Agrawal from Mumbai has completed two months SICS fellowship during the month. Dr. Umesh Padvi from Valsad has completed her phaco fellowship during the month.

Third semester for Optometry students is going on satisfactorily. First year students' academic activities have started full swing. Soft skill training and moral education training of our students will start at Uka Tarsadia University from January onwards on every Saturday.

Training of vision technician and nursing students is going on well. Students are picking up the skills as expected.

WORKSHOPS AND CONFERENCES:

A data management workshop for our key staff members involved in data management was organised by H. V. Desai Eye Hospital under SCALE project. Dr. Kuldeep Dole and Mr. Saravanan worked as faculty for the workshop and provided good insight into data maintenance and management. They stressed the importance of good data capturing.

School Screening:

School screening activity for schools in Vyara block is going on which is supported by Shri Jashwantbhai Mehta through his family trust. This will be completed by the end of January.

Camps:

Our team participated in the general eye camp organised at Ahwa by the local NGO.

We have signed an MOU with Sightsavers for organising screening camps for truck drivers in Surat area. Camps will start from next month.

Satellite and Vision Centres:

IHMS has been installed at all these centres and is linked with the base hospital IHMS. The staff are now slowly getting used to the regular online data entry.

Uchchal and Sagbara centres did very well this month also. However, this month, Dediapada and Umarpada centres also did very well in terms of referring cataract patients.

We have inaugurated vision centres at Khapar, Kim and Kosamba during this month taking the tally of vision centres to 8. Khapar centre is supported by Mission for Vision through Fullerton's grant. Kim centre is supported by SCALE project whereas Kosamba centre is supported by a local donor. Presence of Col. Dr. Deshpande sir for Kim centre inauguration and Mr. Sabitra Kundu from Mission for Vision & Mr. Amol from Fullerton was very important for us.

Community Based Rehabilitation Programme:

Actual implementation of the rehabilitation has started now. However, curable – incurable separation is also going on simultaneously. Good no. of cataract cases are going to Vyara satellite centre.

VIVEKANANDA PRAGNYACHAKSHU BHAVAN:

Our students went to Bardoli to participate in a cricket match for blinds.

GENERAL:

Fourth district level co ordination committee meeting took place on 6th Dec. under the chairmanship of District collector Shri Dr. Dhavalbhai Patel. Exit policy for the end of the project was discussed and it was suggested that the project activities be taken over by the Govt. staff.

Second steering committee meeting of project partners took place on 4th Dec. at Hyderabad. DDG Dr. Sangeeta Abrole joined the members and encouraged everybody to do good work. She promised to take the project forward with the Govt. staff. Exit strategy for the partners was discussed. It was suggested that PHFI can provide equipments for one or two more districts in each partner state – Narmada and Tapi districts were suggested by Divyajyoti trust.

Data collection for school screening compliance study was completed during the month. We met 428 students in total. Data analysis is going on.

Once again we have started distribution of Vitamin A and Albendazole to sugar cane workers' children. Alongwith it, we are distributing Sukhdi also.
