One more month has passed in a flash. With the grace of GOD, the progress has been satisfactory. Positive patient response has continued this month also. With Dr. Khushboo joining, retina patients are being referred from all around. We are trying to procure the posterior vitrectomy machine. Dr. Sheetal has decided to go for short term glaucoma fellowship at Aravind. As a special consideration, she has been allotted a slot in June at Aravind, tirunelveli with Dr. Ramakrishnan sir. We are seeing that the load of glaucoma work is also quite high. Govt. order regarding transfer of surgical work at Netrang CHC and Jhankhva CHC has been received and from April onwards, there will be a change of guards at both these places. Training of our staff in data entry in the NPCB MIS has taken place in Ahmedabad and data will be entered online from January onwards. Inspection of our hospital for registration as base hospital, as eye donation centre and in relation to our application for prior permission under FCRA was done by Dr. Mathur, incharge DBCS, Surat district. Preparation for launch of community based rehabilitation programme from 1st April are on. Formal inauguration will take place on 20th May during the first annual function of the trust. All of you are invited for the inauguration of this programme on 20th May. Please mark the date in your calendar. Rapidly, the no. of staff members has risen to 50+. Now, we really want to focus on consolidation of the training of present staff. All the expansion has occurred naturally without any extra effort from our side. It is all GOD's grace BUT we do appreciate the need to strengthen the capacity of the staff and we will focus on the same. All the staff will visit Aravind Eye Hospital, Madurai in two batches in May as a part of this strengthening. Tickets are already booked for the same. Dr. Rohan will be going for convocation and a workshop at ICEH next month. He will be away for two weeks BUT it will be big event for him.
