News Letter - February 2015

We performed first lamellar corneal grafting on 14th Feb. – courtesy Dr. Sonia Kothari from Vision Foundation of India, Mumbai. She will come regularly once in a month. We have registered ourselves with the Cornea Distribution System (CDS) also for procurement of pre cut tissues.

Through out winter, the workload has remained on the higher side. This month was no exception.

One mega eye camp was conducted sponsored by Kakrapar Atomic Power Station. This is third in a row – they do such camps every year. This year, the OPD has also increased and the no. of operations have also increased. Their Site director, Shri L. K. Jain with the CSR head Mr. Bhatt and CMO of the clinic Dr. Mrs. Puranadare came down to distribute gifts to the operated patients and praised the work.

Dr. Uday was invited as chief guest on the annual day celebration of Mandvi education society, Mandvi.

Dr. Uday, Dr. Rohan, Dr. Sheetal, Dr. Chintan and Dr. Dhavat attended the All India Ophthalmic Conference at hotel Ashoka, New Delhi. We presented two physical posters, four electronic posters, one video and one presentation at the conference. The team except Dr. Uday attended surgical skills transfer course also. They met Dr. Suresh Chandra from Combat Blindness Foundation at the AIOC and had a fruitful discussion about bilateral exchange programme.

Dr. Ankita Patel from Billimora has completed her phacoemulsification training this month.

Second instalment of governor's grant was released this month from Rajbhavan. Mr. Nikhil Mehta collected the cheque.

The new building now looks pretty. Finishing jobs are going on in full swing. Flooring has started. Work for the 2 lac litre underground water tank is begun. WE will store rain water here and use it for cooking and drinking purpose.

Shri Bharatsinh Parmar – M. P. from Bharuch area visited the hospital during the month. Mr. Danny Chundoo and Joel – his wife – members of Rotary club of Scotland also visited us during the month. A team from SEWA Sadan hospital, Bhopal came to Mandvi for 3 days to understand school screening activity better. They are going to launch a school screening programme for the district soon. They were impressed with the support and co operation received from the local education department. They met many office bearers from the education department and had a hands on experience also of conducting the school screening activity.

New batch of paramedical workers have joined their training. One student from Anjali, Ranasan has also come. Two more in house students are also there.

Module I training of newly selected CBR workers for Umarpada nad Mangrol blocks was conducted this month. All the workers are enthusiastic. Of the 25 workers selected, there is only one male. The rest are females considering the need to perform urine sugar tests at home, we have selected female workers. The actual implementation starts from next month.
