News Letter - February 2018

HOSPITAL:

For some unknown reasons, the workload went down to some extent in February. Though we did 1300+ surgical procedures, still it fell short of February of last year by 200.

We have started going to Jayaben Modi Hospital, Ankleshwar twice in a month to run cornea OPD there. They have applied for registration under HOTA to start doing corneal transplant operations there. We are providing all the technical support needed.

NETRAJYOTI TRAINING CENTRE:

Dr. Soham Dave has completed his short term phaco fellowship during the month.

Dr. Khushboo DHINGA has completed SICS training and her phaco training has started.

Mr. Raja and Mr. Niranjana have joined four months training as “Ophthalmic Technician” from this month. They have come from Shri Ramkrishna Mission Hospital, Varanasi. Both are sincere and hard working. Their training is progressing satisfactorily.

Final exam of first semester for the B. Optom students was taken during the month. They are given a vacation of 15 days and then the second semester will start. Application for renewal for the college is submitted to the Govt. of Gujarat.

WORKSHOPS AND CONFERENCES:

Dr. Uday delivered a talk on “attracting patients and maintaining patient volumes” at Leadership Development Programme open house session at the recently concluded All India Ophthalmological Conference held in Coimbatore. We presented a physical poster also on our innovative activity of fundus photography done door to door.

Dr. Uday delivered Dr. B. J. Vasa oration on “Sterilisation practices to prevent infection” at Vadodara IMA on 18th February.

Community Based Rehabilitation Programme:

Blind women / girls from our area participated in the cooking competition organised by Andh Kanya Prakash Kunj, Surendranagar.

Interviews were held for selection of workers for the upcoming Vyara project. However, we did not get the desired number of workers and so, the interviews are planned again in March.

GENERAL:

NA application for Amalsadi land has come across a small tumbling block. We will have to pay the premium. We are ready to pay the same but the process will take three months. Electric poles have been shifted from our land. Our first meeting with all the consultants for Amalsadi project was organised at our Architect Shri Snehalbhai's office to discuss the first draft of the drawings. Now, the same will be discussed with the board members in the next board meeting and with the staff.

Dr. Uday attended the steering committee meeting for the diabetic retinopathy project at PHFI, Hyderabad. It was heartening to note that our performance is better as compared to most of the partner hospitals. We have joined the project last but progress is very good.

Dr. Uday and Mr. Nikhil attended the SCALE project review meeting at Pune with the office bearers of “SEVA” and H. V. Desai eye hospital. Again here, our performance is better compared to other mentee hospitals and we felt good about it. They have offered to provide financial support for one more vision centre.

School screening activity in Hazira area was continued during the month under the CSR project of “SHELL” – the petroleum company. We have examined nearly 10000 school children under the project in Hazira area. CDHO from Surat visited the hospital and praised the work going on. He assured us full cooperation in implementation of the Diabetic retinopathy project.

Dr. D. R. Shah – the vice chancellor and Shri Kiritbhai Patel – vice president of Uka Tarsadia University visited us and saw the college activities in progress first hand.
