

## Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - February 2019

### HOSPITAL:

High workload continued during the month. Cold situation improved to a good extent and that was reflected in the turn out in the OPD also.

Our registration under Human Organ Transplant Act has been renewed for five years.

Dr. Atiyaben and Dr. Snehalben have decided to continue working with us for one more year.

### NETRAJYOTI TRAINING CENTRE:

Dr. Ankush Agrawal from Mumbai and Dr. Bhavika Patel from Surat completed their phaco fellowship during the month. Dr. Karuna Painjane from Mumbai has completed her two months SICS fellowship from this month.

Third semester for Optometry students is completed. All the students have performed well in the final exam. First semester of new students is also over. However, some of them have not performed so well. We have decided to hold extra coaching classes for them. Soft skill training and moral education training of our students is also going on at Uka Tarsadia University.

Training of vision technician and nursing students is going on well. Students are now performing the practical work under supervision.

Training of doctors under CCDR cycle IV module I was conducted on 17th February at Dr. Bhavinbhai Patel's clinic. We sincerely appreciate all the help and support rendered by him for the cause. The support of Dr. Pawanbhai – Diabetologist is also noteworthy. There are 21 registrations in total. The course module I was very well received by the participants. Observer Mr. Rajeshkumar from PHFI Delhi was also impressed.

### WORKSHOPS AND CONFERENCES:

Dr. Sheetal and Dr. Akshat attended the All india Ophthalmological Conference held at Indore between 14 to 17 Feb. We presented one e-poster at the conference.

### School Screening:

School screening activity for schools in Vyara block is going on which is supported by Shri Jashwantbhai Mehta through his family trust. Refraction work is going on. We are trying to tie up with Visionspring for providing spectacles to the children.

We conducted school screening around Jhankhvav and Uchchal at the suggestion of District Blindness Control Society, Surat. We screened four schools each in both the regions.

We conducted school screening in Hazira area upon request from SHELL – petroleum company. In a week's time, we screened 5000 students.

### Camps:

Yearly mega camp that KAPS organises in February every year, was organised between 24 to 28 February this year. Total 484 patients were examined and nearly 126 eye operations have been performed.

We have started using IHMS for patient registration at campsite regularly. Hope that we will settle down with routine use in a couple of months.

One diabetic retinopathy screening camp was organised at Dr. Truptiben Rudalal's clinic. We screened nearly 75 patients.

We organised one screening camp for truck drivers during the month under RAHEE project of Sightsavers. Total 53 truck drivers were screened during these camps.

### Satellite and Vision Centres:

Once again, Uchchal and Sagbara centres did very well this month also – consecutively fourth time. Dediapada and Umarpada centres also did very well in terms of referring cataract patients.

Now, telemedicine is active at Sagbara and IHMS is also used routinely. Ultimately, all the centres are now having internet connection and telemedicine is active.

One eye camp was conducted in Vyara centre for spreading awareness in the local community within the town. We had a good response. We examined nearly 150 patients and operated 20+ patients.

### Community Based Rehabilitation Programme:

Actual implementation of the rehabilitation has started now. However, curable – incurable separation is also going on simultaneously. Good no. of cataract cases are going to Vyara satellite centre.

### VIVEKANANDA PRAGNYACHAKSHU BHAVAN:

One group of Philanthropists from Surat have approached us showing interest in joining hands for the blind children on long term basis. We will explore the possibilities in near future.

### GENERAL:

A meeting with the Health Commissionaire and VFI office bearers for starting "Taluka Adoption Project" under a tripartite agreement was held at General Hospital, Dharampur. We are very excited about the possibility of getting involved in a pilot testing of the project in one PHC area of Sagbara taluka. One more meeting to take it forward was held in Gandhinagar.

Once again we have started distribution of Vitamin A and Albendazole to sugar cane workers' children. Alongwith it, we are distributing Sukhdi also. Our executive committee member Dr. Aravindbhai Patel from Vyara who helps us regularly for general anaesthesia work and is a donor also, has set up a trust and is trying to work in the surrounding area for these children. We have decided to join hands with him by contributing Vitamin A, Tab. Albendazole and Sukhdi from our side for these children.

Dr. Anirudh from PHFI, Hyderabad came for a review of our Diabetic Retinopathy project. Compared to the previous visit, he noted some improvements, however, there are quite a few areas where further improvement is possible.

Shri Jashwantbhai Mehta from Mumbai – our long time well wisher and donor – visited the hospital with his family members. They appreciated the work going on.

We helped IMA Mandvi chapter organise a CME on Management of Knee and Shoulder pain -role of arthroscopy. The speaker Dr. Krunal Shah from Surat deliberated on the issue.
