It is our pleasure to share monthly report once again with all of you. Month passes in a flash. BUT it is heartening to note that the response from the community is quite encouraging.

This month, it is an added pleasure to take note of the fact that one retina specialist – Dr. Khushboo Doctor has joined us full time. We can't ask for more. Her presence here will make a world of a difference to the retina patients in need. She has already performed two detachment surgeries and can do more. We need the posterior vitrectomy machine. The efforts are on to procure funds for the same.

This month, the no. of surgeries has crossed 500. We could manage the load without much difficulty. OPD has also remained at nearly 1800 in the month. Dr. Rohan and Mr. Pradeep did evaluation of the vision centres run by "the Adivasi Eye Care Trust" on 13th Jan. There are four vision centres run by them. A final report will be sent soon. Sightsavers has entrusted us with the responsibility of preparing a revised version of the "School Screening Manual". Dr. Rohan is taking lead for the work. Dr. Praveen Vashisht from R.P. Centre, Dr. Asim Sil from Netra Niramay Niketan, West Bengal and Mr. Anand Sudhan from Chitrakoot are going to review the draft and have given their feedback for the same. All the staff members went to Tithal near Valsad for a picnic on 26th Jan. after the flag hoisting ceremony. They enjoyed themselves. This was the first picnic organised for staff members. Madhaviben has continued to talk to the staff members about time management in small groups. This month two groups attended the talk. Support from the community is coming forth in a big way and that alongwith a positive response from patients is encouraging us to take the work forward.
