News Letter - January 2014

Jan. 2014, we have performed nearly 900 surgical procedures which is the highest no. for a month in nearly three years of activities. Even the no. of corneal transplants was at its pick in three years with 15 transplants. We have started doing sub 2 mm incision cataract operations which is technical improvement in cataract surgeries.

Dr. Khushboo left us in the first week of January and another retina specialist Dr. Shilpaben will join from April. Till that time, we have continued surgical work with the help of Dr. Amish Patel, Dr. Bhavin Patel, Dr. Jayprakash Purohit and Dr. Anil Patil – all of them coming once in a month on Sundays. This way, the poor patients won't need to go elsewhere for this temporary phase.

Dr. Saket Saradhiya and Dr. Pratik Shah are leaving us without fulfilling their commitment of two years, we allowed them to do so with a heavy heart. Dr. Parth Joshi is joining from 3rd Feb.

The final report of evaluation has been received and good no. of minor modifications have been made in the protocol for better patient care. An action taken report will be sent to the evaluator soon.

Few extra diagnostic eye camps over and above the routine camps are being organised in winter as sponsors are also interested in organising camps during this period only. One such camp was conducted in Netrang and we have performed more than 70 operations there in a phase wise manner. To improve the post operative compliance of the patients, we have decided to go back to the campsite at 45 days post operatively and perform refraction there and send spectacles later to the campsite only.

Dr. Rohan and Dr. Parimal have attended the leadership development workshop of one week duration at Aravind Eye Hospital, Madurai towards the end of the month. Their learnings will eventually help us put our systems on a stronger footing. Dr. Uday attended second protocol committee meeting at Gandhinagar and the final version of the protocol for the state is now awaited. As a part of the protocol committee activity, Dr. Uday visited SSG hospital, Vadodara along with the other three members of the protocol committee and final report of the visit has been submitted.

Dr. Nitinbhai Patel and Dr. Sanatbhai Gnadhi from American Association of Physicians of Indian origin (AAPI), Dr. Bhadraben Shah from Share and Care Foundation, USA and Shri B. U. Patel from Tarsadiya Foundation, USA visited us during the month. A possibility of bilateral tie up to send students was discussed. Mr. Khedkar – district governor and Dr. Pratik Shah from Vapi (both Lion members) also visited us.

We have sent one girl to Andh Kanya Prakash Gruha, Ahmedabad, two to Surendranagar and one young male to Fansa for vocational training during this month.

Blind children of our hostel performed in a drama at the annual function of the BCA - BBA college and got a standing ovation from the audience. Students and teachers have donated generously for these children. All the students donated their prize money for the children which is praise worthy.

Grant sanctioned by our local MLA Shri Prabhubhai Vasava has reached us after a long waiting of one year and three months. Life saving equipments will be purchased soon. However, our share will increase as the cost has gone up substantially during this period.

Sanction letter for subsidy on solar electrification has also been received after a waiting of nearly eight months. Here again, the cost escalation will be on our head only. The delays caused by Govt. machinery puts us under undue distress BUT we are helpless.

Flag hoisting ceremony was organised on 26th Jan. We invited Shri Chaturbhai Vasava – principal of primary section of V. F. High school, Mandvi.
