News Letter - January 2018

### HOSPITAL:

We have recorded the highest number of surgeries in the history of Tejas eye hospital this month. The total reached 1637. We recorded the highest OPD of 296 and performed 96 surgical procedures on 29th January. All the staff members have poured their heart out to manage the show. In addition, we crossed the 100 mark for the first time at Vyara also. However, this leaves us with a question mark – how to educate the community that eye surgeries need not be done only in winter. The seasonal variation makes us run around like mad in winter months. At the same token, we appreciate the efforts of the staff members. We are forced to use Punamwadi frequently to keep pre operative patients for one night particularly during winter months. We are very thankful to the management of Punamwadi for the same. During the month, Dr. Rohan and Dr. Akshat were away for one week at the same time. Dr. Darshan, Dr. Jagruti and Dr. Sagar came to take care of the volume of surgeries.

### NETRAJYOTI TRAINING CENTRE:

Dr. Sarika Shethia has completed her short term phaco fellowship during the month.

Dr. Khushboo DHINGA has joined SICS training starts from 1st January after successfully completing the medical retina training.

Mr. Raja and Mr. Niranjan have joined four months training as “Ophthalmic Technician” from this month. They have come from Shri Ramkrishna Mission Hospital, Varanasi. Both are sincere and hard working.

Diwali Ba optometry college students are making good progress. Second internal exam was taken during the month. All of them have shown satisfactory performance. **A fresher's party** was organised for the optometry students during the month. VT and nursing students also joined the group and it was a **lot of fun**.

Chirag Tailor went to H. V. Desai Eye Hospital, Pune for one month training as eye bank technician.

Dr. Devanshi Vasava attended three days contact programme in ACLS skills at Sunshine Global Hospital, Surat. Sunita Vasava and Dipika Vasava attended the one day contact programme in BLS skills organised at Sunshine Global Hospital, Surat. They will get certificate from American Heart Association.

Soft skill training for new staff and all the students was organised towards the end of the month with the help of Dr. Nileshbhai Thakore from GMERS, Gandhinagar. Last year also, he did the same training in two batches and staff members had thoroughly enjoyed it.

### WORKSHOPS AND CONFERENCES:

Dr. Rohan attended the planning meeting for operational research project in Diabetic retinopathy at PHFI, Hyderabad during the month.

Ranjan Parmar, Ramesh Vasava and Nagin Vasava attended the patient care counsellor's workshop organised by Vision 2020 : Right to Sight India programme at Aravind Eye Hospital, Madurai.

### Dediapada Vision Centre:

From this month, Dediapada vision centre is connected with the base hospital through telemedicine. Thanks to Reliance Jio internet connectivity. Now, the only centre left is Sagbara. Hopefully, there also Reliance Jio connectivity will be possible soon.

### Vivekanand Pragnya Chakshu Bhavan:

Aarti – our hostel student won second prize in braille writing competition & in the essay competition at Blind school, Surat. A local well wisher donated clothes and chappals for the children.

### GENERAL:

Application for conversion of land at Amalsadi to non agricultural status is submitted. Now, we have to wait for three months. If no queries are raised, it will be cleared in three months time.

Flag hoisting was done by Shri Nimeshbhai Shah – our executive committee member on 26th January. He provided snacks to all the staff. This was followed by a picnic to Poicha Swaminarayan temple for staff and family members. 65 members enjoyed the outing.

School screening activity in Hazira area was organised during the month under the CSR project of “SHELL” – the petroleum company.

Shri Shirishbhai Dayal – the executive director of Uka Tarsadia Foundation, USA visited us during the month.
