

## Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - January 2019

### HOSPITAL:

It was very cold during the month and the cold wave continued through out the month. OPD did get affected due to the cold wave. We feel that even the surgeries were affected to a small extent. Still, we have performed nearly 1350 surgeries.

### NETRAJYOTI TRAINING CENTRE:

Dr. Ankush Agrawal from Mumbai has joined one month Medical retina fellowship during the month. Dr. Vidhi Kathiria from Surat & Dr. Vijay Labana from Indore have completed their phaco fellowship during the month. Dr. Karuna Painjane from Mumbai has joined her two months SICS fellowship from this month.

Third semester for Optometry students is going on satisfactorily. First year students' academic activities have started full swing. Soft skill training and moral education training of our students has also started at Uka Tarsadia University. As the first semester begins very late every year, the first semester is shortened drastically and we are forced to rush through the syllabus. The exam also gets delayed. Final exam is planned in the first half of February. Students participated in the youth festival organised at the university with great enthusiasm.

Training of vision technician and nursing students is going on well. Students are picking up the skills as expected. Now, this is third quarter of training and the focus is more on the practical aspects. Students are now slowing performing the practical work under supervision.

### WORKSHOPS AND CONFERENCES:

Dr. Uday attended a conference on use of nano technology in drug delivery in eye care at Uka Tarsadia University towards the end of the month. He presented a talk on use of technology in drug delivery in eye care & also chaired a session.

Mr. Nikhil and Mr. Pradeep attended the partners' meeting of Sightsavers who are involved in implementing RAHEE project.

Mr. Vimal Prajapati attended a meeting of heads of Optometry colleges at Charusat university, Anand. The group discussed the problem of late admissions to optometry colleges with the resultant reduction of total admission to optometry colleges.

### Research:

Dr. Uma Gajiwala – second year resident doctor conducted a compliance study for spectacle wear for the children who are provided spectacles after school screening activity. 428 students were enrolled in the study. Three field workers did the data collection and Dr. Uma supervised the data collection process with the help of our supervisors and coordinator. The same study was presented at the ACOIN International Academic Conclave in Kolkata on 27th January.

### School Screening:

School screening activity for schools in Vyara block is going on which is supported by Shri Jashwantbhai Mehta through his family trust. This will be completed by the end of January.

### Camps:

We have started using IHMS for patient registration at campsite from 31st Jan – Kadod camp. This will reduce the manual work of the camp team of analysing the data and for the registration team, admission of camp patients will become easy.

We organised three screening camps for truck drivers during the month under RAHEE project of Sightsavers. Total 84 truck drivers were screened during these camps.

### Satellite and Vision Centres:

Uchchal and Sagbara centres did very well this month also – consecutively third time. However, this month, Dediapada and Umarpada centres also did very well in terms of referring cataract patients.

Finally, after lot of struggle, we have managed to get internet connection from BSNL at Sagbara. Now, telemedicine is also possible from Sagbara and IHMS will also be used there routinely. Ultimately, all the centres are now having internet connection and telemedicine is active.

### Community Based Rehabilitation Programme:

Actual implementation of the rehabilitation has started now. However, curable – incurable separation is also going on simultaneously. Good no. of cataract cases are going to Vyara satellite centre.

### VIVEKANANDA PRAGNYACHAKSHU BHAVAN:

Hostel students went to Vyara on 6th for kite festival. They enjoyed flying kites there with other handicapped people.

### GENERAL:

Dr. Hemang Chaudhari from Dharti Diagnostics, Mandvi was invited to perform flag hoisting on 26th January.

Ms. Shakuntalaben and Ms. Madhuben Desai – our donors visited the hospital with their family and were happy to see the work going on in a very organised manner. Ms. Jyoti Shah from London School of Hygiene and Tropical Medicine visited us as a part of Diabetic Retinopathy project.

Once again we have started distribution of Vitamin A and Albendazole to sugar cane workers' children. Along with it, we are distributing Sukhdi also.

One of our staff members – Mr. Kishan Vasava who is posted at Umarpada vision centre while going back home in the evening on 5th January met with a serious accident. Two drunk young men hit him with a motorcycle. He was taken to Surat in very critical condition. However, our team did heroic job – nurses and ophthalmic assistants who accompanied him gave him CPR on the way and our local anesthetist Dr. Pratik Chaudhari also accompanied him up to Bardoli. Timely endotracheal tube insertion in Mandvi CHC also played a big role in saving his life. He had intra cranial hemorrhage, 12 fractures of facial bones including compound fracture of mandible & lt. orbital floor fracture. The team of Doctors including the emergency physician Dr. Anuj Clarke did miraculous job of saving his life. Later Dr. Saurin Gandhi – oculoplasty surgeon and Dr. Apurv Mehta – maxillofacial surgeon did wonderful surgery to settle the fractures. Within 25 days, Kishan is back home. However, the lessons to be learnt are to have valid driving license and use helmet while driving two wheelers. Kishan had ignored both. After the episode, we again requested (similar requests have been made several times) to staff members for the same. 38 staff members applied for driving license and 70 helmets have been purchased. We managed to buy standard helmets from STUDDS at a discount of 35%.
