

## Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - July 2018

### HOSPITAL:

For almost three weeks during this month, we did not get to see sunlight. It was raining continuously. The work did slow down to some extent because of that.

Dr. Sheetal operated her own mother during the month. This shows her confidence level. We are proud of our two senior doctors – Dr. Sheetal and Dr. Rohan.

Dr. Rajesh Kapse and Ms. Mita Shree Dutta from H. V. Desai eye hospital, Pune were here for three days to kick start our preparations for NABH entry level accreditation. They helped us form various committees and form various guidelines. We are looking at applying for entry level NABH accreditation within three months time.

### NETRAJYOTI TRAINING CENTRE:

Dr. Vasvi Joshi from Surat has completed phaco fellowship. Dr. Akash and Dr. Toral Patel from Visnagar have completed their SICS fellowship during the month. Dr. Kishan Makwana has completed his medical retina fellowship during the month.

Dr. Neetu Negi and Dr. Rishi Mathur from old civil hospital have completed their medical retina training under our Diabetic Retinopathy project.

450 ASHA workers from Surat city attended the one day orientation training in the first week of the month over four days.

A laymen education programme for general public in Surat was organised at South Gujarat Chamber of Commerce and Industries (SGCCI) on 11th, attended by more than 100 individuals. Once more, Dr. Bhavin Patel and Dr. Pawan Begani did a splendid job. The audience comprised of elite class of people also and there were many questions asked. We are thankful for taking care of all the expenses to SGCCI.

Last one batch of two staff members from Shri Bhairav Eye Hospital, Bisalpur, Rajasthan came for 10 days exposure in OT techniques.

Optometry students have completed second semester with flying colours. They were given a vacation of two weeks. This year, we have decided to keep management quota seats with ourselves and have already given admission to 14 students directly. Hopefully, this year, there will be good number of students joining the programme.

Pradeep Patel had gone to Aravind Eye Hospital Madurai for one week during the month to understand their publicity system.

New batch of vision technician and ophthalmic nurses have joined the training programme. There are 9 vision technician students and 2 ophthalmic nursing students. Somehow, because the vision technicians are getting better salaries, the students are going more for that course, there are only two boys – all the rest are females and still they want to pursue vision technician course and are willing to go to Surat for jobs later.

### WORKSHOPS AND CONFERENCES:

Dr. Akshat Shah attended lamellar keratoplasty workshop in Ahmedabad during the month.

### Vyara Satellite Centre:

The workload was comparable with last month inspite of rains. We have added a sweeper staff in the team at Vyara. The nursing student who was to join Vyara centre from July, for some unknown reason decided to go to Surat for job. We have shifted one of our nursing staff from that area to work at Vyara centre.

### School screening in Mokhaman area for Raj Jariwala Foundation:

We did school screening in five schools in Mokhaman area of Dang which we have been doing for last two years. We screened nearly 375 students –refractive error was detected in 13 students.

### Community Based Rehabilitation Programme:

60% survey work is completed in Vyara taluka. Workers are very enthusiastic and the survey is progressing well. Camps have also started with good turn out.

### VIVEKANANDA PRAGNYACHAKSHU BHAVAN:

The schools have started and there are new additions to the hostelites. Now, there are 18 students in total in the hostel. The new students are getting used to the environment.

### GENERAL:

We organised the first annual CME of ACOIN Gujarat chapter at Mandvi on 29th. The theme was “Technology in eye care”. There were 45+ delegates. Three presentations were made using video conferencing by Dr. Thulsiraj, Mr. Ganeshbabu and Dr. R. R. Sudhir – this happened for the first time in the history of ACOIN. A powerpoint presentation competition for resident doctors was also organised – 13 resident doctors presented. We gave three cash prizes and trophies. ACOIN head quarters offered five prizes – travel cost and accommodation at ACOIN DIGHA conference.
