Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

At the end of the year, we look back with a deep sense of satisfaction. We have performed more than 3600 operations as against our own expectations of 3000. Tremendous patient response has proved that the need was very high in the area.

Five ophthalmologists coming to gather in the first year of operations is also GOD's grace only. The good infrastructure and state of art equipments are being utilised by competent doctors for the benefit of the poor and needy patients. What more can we expect from the Almighty?

Financial stability is another factor which creates worries for everybody. In the first year of operations, inspite of the fact that the prior permission for FCRA is not coming forth, we were able to continue the work smoothly thanks to the local donors. We sincerely appreciate the support received from all the corners of the society. This work would not have been possible without this overwhelming support.

Dr. Khushboo performed five major retina surgeries when the Reticare posterior vitrectomy machine was here in Mandvi for demonstration purpose.

We are now trying to strengthen the systems to make sure that the work goes on without any hiccups. Though we understand that it is a slow process, we are gradually moving forward.

Preparation for launch of community based rehabilitation programme from 1st April are on. Formal inauguration will take place on 20th May during the first annual function of the trust. All of you are invited for the inauguration of this programme on 20th May. Please mark the date in your calendar.

The flow of visitors has continued and the word about the facility has spread far and wide. Patients are coming to us from far off places.

Evaluation of two hospitals were conducted during the month. Visit to the vision centres in Dang and meeting with the office bearers over there was quite encouraging.

We feel like providing what ever support possible for us.

Dr. Uday Gajiwala has been elected as president of Vision 2020: Right to Sight Gujarat chapter. Congratulations to him. However it is an additional responsibility on his shoulders.
