

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - March 2013

At the end of the year, when we look back, we have performed more than 5800 operations. This was not envisaged by us. This was possible only because of the hard work put in by all the staff members including doctors. The rapid growth has put the whole system in stress. The infrastructure is falling short considerably and we have started planning for extension of the hospital. However, Govt, system takes its own time to move and so the land which we have purchased nearly two years ago, is not yet transferred in our name and so we can not start construction work. The drawing for construction behind the hospital are ready and some funds are also earmarked for that (however, we will need huge amount of funding for complete construction of 35000 sq. ft. area). At the same time, we are debating among ourselves that we need a larger space and need to create a campus - although we don't have funds for that nor any piece of land is available in the vicinity of the town. How to proceed is a dilemma at this moment.

Now, our hospital is registered under Human Organ Transplant Act. We have performed 99 transplant operations. Soon, we will complete 100 and we plan to hold a small function to celebrate this achievement. There will be very few hospitals where 100 transplants are done in little less than two year's time. Dr. Hetal will start going to Jhagadia and Valsad from next month on a monthly basis. This will increase referrals for her.

Retina surgical work is increasing fast and Dr. Khushboo is keeping excessively busy. No. of glaucoma patients are also increasing and Dr. Rohan is taking care of them at this moment. Dr. Meenaben is able to come once in three months or so. Dr. Nitin Jain is taking care of paediatric work very well BUT the no. of patients waiting for surgery is nearly 40 or so and that is why we invited Dr. Nikhil Rishikeshi from H. V. Desai Eye Hospital, Pune during the month - he did 7 paediatric surgeries. We are requesting him to come one more time during this vacation. At the same time, one more paediatric Ophthalmologist Dr. Ankit Bhavsar from Ahmedabad has decided to come once in a month. So, now, there will be two visits of paediatric ophthalmologists every month.

Dr. Kamini Patel who is working with us from Aug. 2011 has decided to leave as she is planning to get married. Dr. Chintan Dholakia has joined us from 20/03/2013. So, fortunately the team stays as it is as far as numbers are concerned. However, Dr. Chintan Dalal who was coming four days a week has decided to shift to Surat and so we will lose his services from May onwards.

KAPS organised a camp under their CSR activity at their hospital. Our team did the diagnostic work there and 70 patients were operated from that camp in Mandvi. Now, they will join hands with us every year for one diagnostic eye camp around this time of the year. They have empaneled our hospital for providing eye care services to their employees and also requested us to run once a week OPD in their hospital. MOU etc. will be signed now.

At the suggestion of Tribal Department, we conducted five diagnostic eye camps in halpati vas of Mandvi taluka. Towards the end of the month, they requested us to conduct four more camps BUT we were able to conduct only two camps as the year end was approaching and holi was also close. Mr. Parmar - our tribal officer visited one of these camps at Haripura village and was very much impressed by the scientific manner of conducting the work.

Our team helped Jeevan Akshay Charitable Trust in conducting school screening programme in two villages around Mota Jamubda - their service area.

Actual service delivery in CBR programme started from Nov. 2012. First quarter of training activity is going on. The team is doing very good work. Supervisors of the programme and braille teacher visited residential school in Saputara and are convinced that we can send needy students to this place. The whole team visited Surendranagar where they witnessed cooking competition of blind girls and also attended group wedding of blind girls.

One of our well wishers - Shri Bhalchandrabhai Shukla from Surat distributed clothes to the poor and needy people around Mandvi and also distributed clothes to our cleaning staff. He was very happy to see that genuinely needy people were selected by our CBR staff.

Our team visited KAPS site to see the activities and were happy to get this opportunity.
