News Letter - November 2014

The month has seen maximum workload in the current year. The staff worked hard to cope up with the same.

We are very happy to inform you all that we have received an award of 20000 pounds from XOVA, CSR body of Novartis Pharma. We are one of the five recipients of this award globally for this year. This award is given to us for our innovative project titled “ Door to door screening for glaucoma, diabetes and hypertension incorporated into a pre-existing Community Based Rehabilitation Programme in Umarpada and Mangrol Taluka, Surat district, Gujarat”. Dr. Uday Gajiwala – our superintendent had gone to Istanbul, Turkey to receive this award at the 14th European School of Advanced Studies in Ophthalmology- ESASO” conference held on 13-14 Nov. 2014. The project is likely to be inaugurated on 18th January 2015. The planning is on for the same.

The new construction work for the extension of the hospital, training centre and staff quarters is taking shape now. All six slabs were cast before Diwali. Walls are erected on three floors and we hope to finish the construction by May 2015 and inaugurate it. It is going to be a green building. Everybody including Architect, structural engineer and our board members are making sure that we do things right and make it a green building.

Dr. Nitin Jain – our paediatric ophthalmologist performed five surgeries on Sunday 9.11.14. All these patients were poor and surgeries are done free of cost. Even Dr. nitinbhai did not take remuneration for this visit. Dr. Rohitbhai Gajiwala – anaesthetist also spared one day – Sunday for poor patients.

Dr. Parth Joshi and Dr. Chintan Dholakia participated in Bodhgaya eye camp conducted by Bhansali trust this year. Mr. Deepak Vasava – our OT nurse also participated. For him, it was a learning experience to see the scale of activities – 1000 surgeries being performed in one day.

Dr. Kulinbhai Kothari and Dr. Saumil Kothari visited us on 1st and 2nd Nov. to demonstrate difficult cataract operations. Dr. Saumil did these difficult cases with utmost care and we learnt a lot from him – particularly the lessons of patience. We had invited Ophthalmologists from SEWA Rural-Jhagadia, RNC Free Eye Hospital-Valsad and Rotary Eye Institute- Navsari. A small group of 20 Ophthalmologists BUT w thoroughly enjoyed watching the live surgeries and the discussion with Dr. Kulinbhai. Second day, a glaucoma CME was organised and glaucoma specialist Dr. Varsha from Bombay City Eye Institute specially came down and delivered lectures and conducted live demonstration of glaucoma examination also.

Dr. Tushar from Surat has joined his Small Incision Cataract Surgery training this month. Similarly Dr. Ganesh from SEWA Rural, Jhagadia and Dr. Vipul from Surat have joined phacoemulsification training this month. Dr. Meenaben doshi from Mumbai was here for medical retina training.

Dr. Udaybhai attended the annual symposium of Community Ophthalmology Society of India at Venu Eye Institute, Delhi on 22nd Nov. and talked about the need for cataract surgical work in India and how we can achieve the same.

Shri Vimalbhai Shah of Poddar Tyres, Mumbai has generously agreed to support our hostel for the blind children for coming years. This year’s funds were released in Nov. A single meeting in Dr. Bijalben Mehta’s office in Mumbai and he immediately agreed to extend this generous support – we are overwhelmed. We have requested him to visit us at his leisure whenever he is coming to Dharampur.

As usual, a workshop for blind children was organised in vacation time between 7-9 Nov. Shri Biharibhai and Urmiben from Mumbai specially came down for the purpose. Children always enjoy their company. They were taken to Kevadiya colony – Narmada dam this year. Playground equipments have been installed in the hostel and children are enjoying it very much.
