News Letter - November 2015

Our new training centre building has received platinum category certificate by Indian Green Building Council on 19th Nov. at the IGBC National Congress in Gandhinagar. We are among very few hospitals and particularly eye hospitals to receive a platinum category certificate across the nation. Thanks to the untiring efforts of Shri Ameetsinh Waghela – our consultant for green movement from Ahmedabad and also to the trustee Shri Vijaybhai and our architect Shri Hitenbhai and his team. Now, the onus is upon us to maintain the high standards set by us.

Diwali and new year were celebrated with enthusiasm during this month. The work naturally slumped to a low during the week of festival. Still, overall the workload was good. Record 252 OPD was recorded on 30th Nov. – highest for this year. The workload has picked up immediately after Diwali.

Dr. Chintan Mehta– paediatric ophthalmologist's joining has caused a rise in paediatric OPD immediately and the surgical work will also pick up in due course of time. A paediatric eye camp was organised on 24th Nov. to publicise the availability of paediatric ophthalmologist.

Dr. Sheetal has come back with renewed enthusiasm having attended the AAO meet and done two short observerships. It is heartening to note that the practice of Ophthalmology and the equipments used are the same in USA and in Mandvi. Meaning, the patients coming to Mandvi are getting the facility of world class equipments.

We have started a couple of clinical studies and a couple more are under planning as Dr. Akash has settled and started data collection actively.

Dr. Jagruti attended the Bihar camp organised by Bhansali trust before Diwali and Dr. Darshan has gone there in the post Diwali batch.

Community Ophthalmology Society of India awarded Dr. G. Venkataswamy memorial award to Dr. Uday on 27th Nov. at Amity University during its 9th annual symposium in individual category for his outstanding contribution in the field of community ophthalmology.

Dr. Uday attended the expert group meeting on formation of protocol for Diabetic retinopathy on 2nd Nov. organised by Public Health Foundation of India at Delhi. Now, a small group will be formed who will take this further.

Dr. Uday did evaluation Netra Niramaya Niketan – Vivekananda Mission Ashram hospital, Chaitanyapur, East Midnapore dist., West Bengal during the month at the suggestion of Wonderwork. Dr. Asim Sil – the chief ophthalmologist there is a renowned person in the country and they are doing wonderful work.

Dr. Kumarpalsinh Jhala from Surendranagar completed his training in SICS, phacoemulsification and medical retina towards the end of the month. He was here with us for three months. A very nice individual – he also liked almost everything here.

Team of two OAs from Samaritans eye hospital, Satna were here for one week refresher training during this month.

Dr. Uday attended a meeting with health commissioner of the state along with Col. Dr. Deshpade from Vision 2020: Right to Sight India programme on 23rd Nov. Very good discussion on Gujarat eye care status and way forward took place. It is planned to call a meeting of experts to decide on the roadmap ahead for the state.

A short circuit caused fire in the ward on first floor on one evening. One of the patient relatives from KAPS who is trained in fire safety used the correct fire extinguisher in time to resolve the fire before it will assume bigger shape. We are saved of a major disaster. Our sincere heartfelt thanks to Mr. Jitendrakumar from KAPS.

Blind children of our hostel had gone to their native places due to the Diwali vacation. However, 31 kids came to gather for the workshop between 26-28 Nov. including those who have been sent to residential schools in different places. They enjoyed the company of each other and we believe that prepares the younger ones to go to residential school in far off places after some time. Children were taken to Pavagadh for a picnic during these three days.
