

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - November 2012

November being month of Diwali festival, we were some waht comfortable. However, apart from the week of Diwali, the OPD remained high.

Shri Bharatbhai Shah - our president underwent cataract operation in our hospital on 2nd Nov. - this is testimony of the quality of work done here. After ISO certification last month, this is second certificate of quality for us.

3-4 cracker burns patients came during the week of Diwali. Dr. Uday remaining present during Diwali days, was good for the patients. 2 patients had serious injury. In spite of the fact that the safety precautions are announced on radio and TV frequently, parents are not careful. Two kids had picked up fire cracker which did not blow off quickly and the crackers exploded in thier hands.

Dr. Daudet from Congo completed his training this month and has reached his parent organisation. He was happy and even his organisation expressed pleasure about the way his training has taken place.

Two more Sightsavers partner hospitals - SHIS and SSDC both in Sunderbans, West Bengal were evaluated by Dr. Uday and Mr. Pradeep early this month.

Second module of training of CBR workers has been completed. The data entry for the survey will be completed by the end of the month. Actual rehabilitation work has started now.

Training of workers with blind folds and exposure to BPA's work has helpd them understand how to train blind clients. Approximately 190 blind clients are there with 10 kids included in the total. All the children are enrolled in regular schools. A workshop for blind children was organised during Diwali vacation. 17 children were there. They really enjoyed their time here. They were taken to the river front, Zoo in Surat, to the garden etc. They went out to play cricket also. We had one musical evening performed by them and staff. They have promised to come back in summer vacation in big number. This time, kids from Jhagadia, Valia, Dediapada and Ankleshwar were also invited.

A get to gather of the sponsors and well wishers of our diagnostic eye camps was organised in Mandvi on 4th Nov. However, as diwali was too close, very few people could attend the same. Still we had good discussion with those who came. Next time, we will organise this meeting in such a way that it does not coincide with any festival so that people can attend the same. A report of the discussion will now be sent to all the sponsors and well wishers.

Staff members celebrated Diwali with lot of enthusiasm. All of them joined hands in preparing rangoli in the premises at four different places in the premises. Children enjoyed fire crackers on the evening of Diwali together and then staff with family had dinner together.

All the techincal staff including nurses and ophthalmic assistants gave a theory exam this month. We will conduct theory exam every year and it is made mandatory for everybody to clear this exam every year.

Dr. Uday attended the Community Ophthalmology Society of India annual workshop and board meeting on 30th Nov. and 1st Dec. Useful deliberations on "Primary Eye Care" took place. Soon, Divyajyoti trust will become member of COSI. It was decided to hold next COSI annual symposium some time in Nov. in Mandvi. We have agreed to be the hosts.

Ms. Neha Shah - a student from New Jeresy, USA - daughter of our well wisher Mr. Jayesh Shah collected 500 pairs of used and new spectacles for us as a part of her scout and guide project and one an award also. Another student Ms. Suhail Shah - daughter of another well wisher from New Jeresy, USA Mr. Rajesh Shah who was here as an observer for a week, wrote an article about Divyajyoti trust in their Rutger's university newsletter and was acclaimed by everybody.
