News Letter - October 2013

Now, it has stopped raining and life is back to normal. However, towards the end of the month, patients started avoiding surgery as Diwali was approaching.

Renovation of OT 3 is now complete in all respect and we have taken three culture swabs also – once we get the report, we should be able to use it.

One of our Ophthalmologists has started seeing OPD regularly at Netrang and Jhankhvav on Tuesdays and Fridays with a very encouraging response.

After having done lateral orbitotomy last month, this month a major lid reconstruction surgery was done for squamous cell carcinoma of upper lid. These poor patients won't afford the expenditure of these major surgeries and in addition, these are done only at Ahmedabad Civil Hospital apart from private clinics in major cities.

A 14 cm. long thread worm was removed from sub conjunctival space of a patient. This is a rare occurrence. We have taken video of the same and will be reported in journal also.

A vision mission workshop for new recruits was conducted on 27th Oct. There were 25 participants and at the end of the workshop, the participants were happy that they had come to know the aim and objective of the trust.

Dr. Rohan Chariwala attended the ASIA ARVO conference at Delhi and made a presentation based on our previous survey titled "Willingness to Pay".

One student from Idar – Mr. Paresh has joined optical fitting training from this month.

Following the Aravind pattern, we have started fitting of spectacles at the campsite from this month with a very good response. Fitting work and sale of spectacles is started at Jhankhvav also.

Our blind students have started learning braille and 3 -4 students are now able to write simple words is a big achievement. Kids will go home at the end of the month when Diwali vacation starts. All the blind children have undergone a dental check up this month. Our dentist in Mandvi Dr. did not charge anything for examination.

Shri Vinodbhai Dholakia – a retired bank officer has joined us as an internal auditor. We have shown him how to conduct internal monitoring and also called Shri Aravindbhai – trustee of SEWA Rural, Jhagadia who is doing internal monitoring for many years in Jhagadia – he is coming on a monthly basis to show Shri Vinodbhai how to conduct internal monitoring.

A get to gather of all the staff with family was organised on the occasion of Sharad purnima. Staff enjoyed garbas for couple of hours and then we had a gala dinner.
