News Letter - October 2017

HOSPITAL:

Due to Diwali festival falling in this month, the workload dropped particularly during the week of festivities. However, the OPD did not drop so much.

In the first six months of the year, we have recorded a marginal increase in the number of surgeries.

NETRAJYOTI TRAINING CENTRE:

Dr. Aarti Dave from Ahmedabad has completed her short term phaco fellowship during the month.

Training of new batch of vision technicians and ophthalmic nurses is going on well. Major part of the theory is covered by now.

One lab. Technician Ms. Swatiben Patel from Agasimata trust, Bardoli has joined customised training in plating and culture in the laboratory.

WORKSHOPS AND CONFERENCES:

Dr. Rohan delivered two talks at the Maharashtra Ophthalmic Society annual conference in Pune on 13-14 Oct..

Dr. Rohan presented findings of our innovative DR survey at Lions conclave in Delhi on 15th Oct..

Dr. Rohan and Mr. Vimal Prajapati attended the global workshop on "Hospital architectural design" at Aravind Eye Hospital, Madurai.

Satellite centres:

Now, that there is a full time Ophthalmologist available at Vyara centre, the work is picking up. This month, inspite of Diwali festival, we performed 43 surgeries and the numbers are expected to increase during winter.

Vivekanand Pragnya Chakshu Bhavan:

A workshop for blind children was organised during the month as we do it during all vacations. 22 students joined the shibir. They were taken to visit a temple and riverfront during the shibir. More important was the interaction with those students who have already been sent to residential schools in far off places. This prepares the other students for future and gives us an idea of how our students are progressing after going to the residential school.

GENERAL:

Dr. Uday was awarded Padmshree Dr. T. P. Lahane oration award at the MOSCON held in Pune between 13-15 Oct. for doing outstanding community ophthalmology work over 26 years.

We ensured distribution of our OT manual, OT protocol video and intra vitreal injection technique video at the MOSCON to all the delegates. There were 1000+ delegates.

The admission procedure for optometry and paramedical courses in Gujarat is delayed so much that the college has not yet started.

Our president distributed clothes and sweets to all the staff members during Diwali.
