News Letter - September 2013

It rained hard for the whole season. We have not seen sunlight for many days during last three months. Still, more than 100 OPD patients were seen on the days when it was not raining. Construction work has been delayed because of rain and the renovation started in OT 3 is also taking its own time. Workers are making us run around like mad and still the work is not getting over.

One mega eye camp was conducted in the month with the help of Rotary club of Scotland. Dr. Sadharam Gupta and Mr. Danny Chundoo with their wives were here from 10th to 13th Sept. They had sponsored 150 cataract operations. Dr. Gupta being an Ophthalmologist himself, joined us in operative work. They were all praise for the set up and the work. Actually, they had not expected such a good and well equipped set up. They have promised to sponsor another mega camp next year.

Chorwad hospital has become functional again. During the camp, 25 operations were carried out. Daily OPD of about 10-15 patients is now being seen and surgical work for three days a week is going on. By the end of the month, total surgical work has reached 40. The key functionaries of the trust are happy. Our paramedics have done exemplary work and we congratulate them.

Dr. Uday visited R. M. Eye Hospital, Chokhodra and provided consultancy about the necessary changes in the layout of the OT.

We are pleased to note that the reputed Dr. R. N. Mathur oration was awarded to Dr. Uday Gajiwala during the recently concluded 41st All Gujarat Ophthalmic conference at Rajkot and the topic was "Infection control in Ophthalmology". The presentation was praised by many people. Dr. Rohan presented a paper on "Willingness to Pay" from his thesis work done in 2010. This was also praised by many people. There were two e-posters also from our organisation at the conference.

Mr. Pradeep Patel, Ms. Ranjan Parmar and Mr. Yatin Mistry attended the CME on eye banking organised by EBAI at Sahiyara eye bank, Thane for three days. They realised that the freedom offered here is not possible elsewhere.

Dr. Chintan Dholakia and Mr. Nikhil Mehta attended the global sumeet on patient compliance at Aravind Eye Care Systems, Madurai. Their learnings will be implemented over here in due course of time.

Staff from Lepa Mahanadi Eye Hospital, Orissa came here for 3 days for observation of the OT protocol. Their laboratory staff stayed for one week to understand the culture work of the OT.

Dr. Anuj Clarke – an emergency room physician from Mumbai came to Mandvi for training of our staff in Basic Life Support skills on 8th Sept. He conducted one session for laymen also. Our optical fitting person had gone to SNC, Vidisha for one month training in lathe work. He successfully completed the training. WE are thankful to the management of SNC, Vidisha for waiving all kinds of charges for this training.

Our annual audit of ISO certificate was conducted by Shri Rushangbhai Sheth and he expressed satisfaction about the systems. We have appointed one retired bank officer for internal audit and he is looking at all the systems and practices. Trustee of SEWA Rural, Jhagadia Shri Aravindbhai Desai came to Mandvi to show how to conduct internal audit of systems to Shri Vinodbhai. He pointed out lot of areas for improvement. He will come once in a month until our systems are in order completely.

Hostel for blind children is now functional in full swing. Kids are not interested in going home is a big achievement. One music teacher has started teaching them instrumental music free of cost on every Sunday. We have procured instruments from Rotary club of Surat Roundtown Charitable trust.

A repeat theory exam of both Ophthalmic assistants and nurses was conducted this month as a fall out of less than satisfactory performance in July. This time, they have done well.
