News Letter - September 2014

We are happy to note that we have been awarded 20000 pounds by XOVA for our diabetes, blood pressure and intra ocular pressure measurement activity planned as door to door activity in the new Comprehensive Eye Care Project starting from January 2015 in Umarpada and Mangrol blocks. Five organisations across the globe are selected and we are one of them. This is going to be a unique activity where approx. 50000 individuals will be screened for these three silent killer diseases at their doorsteps.

Dr. Sadharam Gupta and Mr. Danny Chundoo with their wives were here in Mandvi for the “Drashti Eye Camp” – similar to the one conducted last year. We completed 200 cataract operations for them in five days time. They were happy with the proceedings. They distributed blankets to patients on one day and gave a feast to all the staff members of the organisation. They have promised to come back next year. Dr. Prashant Desai eminent ENT specialist of Surat and Mrs. Monaben Sitwala – president of Rotary Club of Surat Roundtown visited us during the Drashti project activities.

We have decided to conduct one speciality camp every month at the base hospital. We conducted a paediatric diagnostic camp on 27th September. There were 31 OPD patients and 5 operative cases were found. One diabetic retinopathy screening camp was organised on 30th at Valia. 35 Diabetic patients were screened and needy patients have been referred to base hospital.

Dr. Rohan did his two weeks observership at John Hopkins Eye Institute, Baltimore under Dr. David Friedman. Thanks to Mr. R. D. Thulsiraj – CEO, LAICO for making it possible. He visited Wills Eye Hospital also for two days and observed the functioning there. He visited CDC Atlanata also and made some contacts there.

Dr. Sheetal attended the Glaucoma Society of India annual meeting held at Bhuvaneshwar on 11-12 Sept. She presented a poster also over there.

Dr. Mansi A. Desai has joined her SICS fellowship this month. Dr. Jagruti Jariwala has joined us for one year comprehensive fellowship from 15.09.2014.

Dr. Uday and Mr. Pradeep visited Tulsi Eye Hospital, Nashik for an evaluation exercise on behalf of Vision for Mission. As always, it was a learning experience for us.

Netrang PHC where we are working with the Govt. of Gujarat under PPP mode, has been upgraded to CHC. The Govt. has decided to reconstruct the whole building and with it the OT also. We tried to suggest to them that the OT was only 7 years old construction and there was no need for redoing it BUT in vain. The surgical work has come to a stop there. The building has been demolished and now fresh construction will start. For the time being, we are sending patients to Jhankhvav for surgeries from Netrang.
