News Letter - September 2017

HOSPITAL:

This month, for the first time in this year, the total surgeries crossed 1000 mark.

As a part of eye donation fortnight, we conducted awareness sessions at 10 locations during that period. We targeted Vyara specifically as we feel that there is a potential to increase the eye donations from the area. Dr. Rohan was invited by Jayaben Modi hospital and Rotary eye bank of Ankleshwar to deliver talk on raising awareness.

NETRAJYOTI TRAINING CENTRE:

Dr. Richa Naik from Navsari has completed her short term phaco fellowship during the month. Dr. Abhay Jadhav has completed his one month fellowship in SICS during this month.

Mr. Vishal Mangukia from Surat has completed his two months training in optical fitting. The first ever private student to undergo training here.

Training of new batch of vision technicians and ophthalmic nurses is going on well. The students have settled well.

Jay Hazariwala went to H. V. Desai Eye Hospital, Pune for two weeks training in fluorescein angiography and Vishal Shah were there for one week training in Perimetry. Both these training activities took place as a part of SCALE project.

WORKSHOPS AND CONFERENCES:

Dr. Rohan presented three papers at the Gujarat Ophthalmic Conference in Rajkot.

Dr. Rohan had gone to PHFI, Hyderabad for preparation of the Diabetic Retinopathy guideline where he is doing the job of compiling and editing the write ups prepared by different authors.

Nikhil Mehta, Vimal Prajapati, Viral Tailor, Pradeep Patel, Alpesh Mistry and Jignesh Patel attended the flymode workshop on quality at Blind People's Association, Ahmedabad. This workshop was organised by Vision 2020: The Right to Sight India programme and conducted by Shroff's Charity Eye Hospital, Delhi.

Nikhil and Vipul attended the workshop on "GST" organised by Centre for Advancement of Philanthropy in Mumbai.

Satellite centres:

Now, that there is a full time Ophthalmologist available at Vyara centre, the work is picking up. This month, we performed 55 surgeries and the numbers are expected to increase during winter.

Vivekanand Pragnya Chakshu Bhavan:

Hostel children participated in the khel mahakumbh and won prizes worth Rs. 39000/-. The money will be deposited in the bank accounts of these children.

GENERAL:

Lot of leg work had to be done in relation to the optometry college during this month. Final rounds of choice filling and admissions is going on. It is a pleasure to note that all the seats are full at this moment. We don't know if the awareness for optometry has increased or because engineering students are not getting jobs easily BUT the seats are full at this moment. How much drop out occurs during reporting stage is to be seen.

We have signed an MOU with Helpage India for 500 operations this year.

Cabinet minister Shri Ganpatsinbhai Vasava and local MP Shri Prabhbhai Vasava visited the hospital during the month and praised the activities.

Distribution of Livewire manual, operation theatre protocol video and intravitreal injection technique video to all delegates at AGOC, Rajkot was done. There were approximately 500 delegates.
