

Tejas Eye Hospital Run by Divyajyoti Trust

Suthar Faliya , At & Po. Mandvi , Dist. - Surat - 394160

Telephone No. 02623 - 221180, 221090

News Letter - September 2018

HOSPITAL:

The workload has remained almost equal to the last month. Monsoon it seems is over. However, with less rains than required in some parts of the state and some places getting flooded.

We are feeling the space crunch in the hospital on a daily basis and come winter, we will feel it more. The team however, is gearing up to tackle the workload in less time – rapid turn over is our answer to the problem.

IT Team from Aravind Eye Care Systems was here during the month. They did the necessary customisation of the IHMS and now, the demographic patient data on indoor case sheet and discharge card is being printed. This has reduced the manual labour substantially.

NETRAJYOTI TRAINING CENTRE:

Dr. Roshni Patel from Surat has joined her two months SICS fellowship during the month. Dr. Tanima Bansal from Mathura has completed her phaco fellowship during the month.

Third semester for Optometry students is going on satisfactorily. One more M. Optom. Faculty has started coming on visiting basis making our academic activities stronger. The admission process for the new batch is again delayed and students have not yet joined the college.

First quarter of training of new batch of vision technician and ophthalmic nursing students is over. Theory and practical are going on hand in hand. Students are picking up the skills as expected.

Nikhilbhai, Vimalbhai and Pradeepbhai visited Akhandjyoti eye hospital, Mastichak, Bihar to see the optometry college and camp publicity system. They came back with a good exposure and renewed enthusiasm.

WORKSHOPS AND CONFERENCES:

Dr. Uday attended the SIB meeting of SEVA foundation at Pune. He presented our work there.

Dr. Rohan attended the ISGEO meeting and made a presentation also in Hyderabad.

Dr. Sheetal attended Glaucoma Society annual conference at Kowalam.

Dr. Uday attended the IAPB council of members meeting at Hyderabad. There he attended a meeting of all the mentee hospitals of SEVA's Global Sight Initiative.

Dr. Uday attended the eye care environmental impact workshop as a part of global summit organised by Aravind Eye Care Systems, Pondicherry. He presented our contribution to the environmental issue in the form a platinum rated green building there. The learnings from the workshop will be useful in developing the new campus.

Towards the end of the month, counsellors – Hetal and Jay with OA posted at Umarpada Mr. Kishan attended the counselor's workshop at H. V. Desai Eye Hospital, Pune.

Satellite and Vision Centres:

IHMS has been installed at all these centres and is linked with the base hospital IHMS. Now, we are able to even monitor the daily activity through IHMS and data maintenance and reporting will become easy for the outreach team.

Community Based Rehabilitation Programme:

Survey work is completed in Vyara taluka. Workers are very enthusiastic. The team has undergone module II training during the month. As a part of the training, the team was sent to BPA, Ahmedabad as is done for all our previous projects also.

VIVEKANANDA PRAGNYACHAKSHU BHAVAN:

The schools have started and there are new additions to the hostelites. Now, there are 18 students in total in the hostel. The new students are getting used to the environment.

GENERAL:

ISO audit for renewal took place during the month. Under the changed norms, we have to show our preparedness for risk management. We demonstrated good number of examples of how we have alleviated risk in certain areas. We have received the renewal towards the end of the month.

Second meeting of probable peer group members of diabetic patients was attempted at Mandvi. Dr. Anirudhdh Gaurang from PHFI also joined our team in the process. We wanted to conduct similar meeting at NCD clinic in Surat Civil Hospital also but at the last minute, we did not get clearance from the superintendent. There were only about 15 individuals in the meeting against 50 patients who attended the meeting last time. We have decided to meet them again in November.

A new initiative of truck drivers' eye examination has been taken up in Hazira area at the suggestion of SHELL under their CSR scheme. We will be doing refraction, IOP measurement, fundus photography, blood pressure and blood sugar check up and in addition will do blood grouping also. Daily, we are examining about 60-70 truck drivers.
