News Letter - October 2012

It gives us immense pleasure to inform everybody that in a short span of one and a half years, we have become an ISO 9001:2008 certified hospital. The final inspection took place on 23rd Oct. All the hard work done by Mr. Nikhil Mehta - our administrator and Mrs. Madhavi Gajiwala - our co ordinator has paid off. Ofcourse the credit goes to all the staff members also who are performing well and following the guidelines properly.

The issue of work load is daunting us in the absence of Dr. Sheetal and some waht excessive travelling for Dr. Uday. In spite of the festival season, the average OPD has remained around 100 and no. of surgeries around 15 per day. Dr. Uday was busy running around for evaluation exercise at Ranchi, followed by World Sight Day celebrations of Vision 2020: Right to Sight India programme in Anand and Vadodara where under his leadership, Vision 2020: Right to Sight Gujarat chapter was a host and then he was off to Delhi for follow up of our FCRA application which is pending for two years now. The officers in Delhi have given an assurance that the one time permission will be released now, it has to be seen when it actually occurs.

Col. Dr. Deshpande - president Vision 2020: Right to Sight India programme and Mr. Niranjambhai Pandya the founder of H.V. Desai Eye Hospital visited us and showered a lot of blessings on us - we were touched by their love.

Second module of training of CBR workers has been started from 16th Oct. as the survey has been completed. The data entry for the survey will take some time and so we will have to wait for the final report. BUT the workers have done a good job. A major survey of blindness with study of socio economic status and status of diabetes in 40+ population in Mandvi taluka is a big accomplishment of the team. Shri Vikrambhai came specially for first two days to train the team. His vast experience in the field must have helped our team understand the task at hand better. Two of our staff are from previous CBR projects so they also pitched in, so did our braille teacher. Workers moving about blind folded was a sight for many people around the hospital. The workers were sent to BPA, Ahmedabad also for one week to learn from the mammoth work going on there. Workers visited their Sayla project also. Mr. Pradeep Patel and Mr. Yatin Mistry - our ophthalmic assistants were sent to Lokdrashti eye bank, Surat for enucleation training as now Central Govt. has cleared the OAs also for doing enucleation.

We have appointed one internal auditor - Mr. Yatinbhai Hazariwala who will check the accounts every thursday. He brings in lot of experience in the field of accounting and this will make sure that our accounts are also streamlined better than last year.

A get to gather of the Sarpanches of Mandvi taluka and village leaders was organised on 2nd Oct. - Gandhi Jayanti. More than 50 sarpanch and another 40 village leaders attended the same. The objective of the meeting was to inform them about the CBR programme that we have started and to request them to support the team whole heartedly. After realising what was being planned, they agreed to support us in one voice.

Rotary Club of Ahmedabad, Mahanagar ha sconferred their vocational excellence award to Dr. Udaybhai for his contribution in the field of Ophthalmology on 27th Oct. in Ahmedabad.
